Dear Steve,

Please convey to each member of Remember When our deepest thank you for appearing in the Cabaret show to benefit the Foothill Center for Spiritual Living.

Remember When was so warmly received by the audience and provided a real highlight for that special night. The comments from the crowd at the end of the evening gave testimony to how much your group was enjoyed. Everyone left humming a favorite tune.

Thank you again for the wonderful performance of Remember When in support of our Center.

Very truly yours,

Dear Steve:

I want to extend sincere thanks for your significant contribution to the grand opening festivities that occurred last weekend in connection with the dedication of the new Pasadena Convention Center.

It was a great event, well received by every person I talked with, and contributions like yours were significant in creating the excitement and enjoyment that was available to the huge numbers of people who visited the Center. Thank you for bringing Remember When to provide entertainment at the Community Entertainment Stage.

You are a good friend of Pasadena, and that is a valuable relationship from my viewpoint. Thank you again, and let us plan to stay in touch.

Sincerely,
